### SURE CURE FOR COUGH.

Twenty-five Years' Constant Use Without a Failure.

The first indication of cough is hoarseness, and in a child subject to that disease it may be taken as a sign of the approach of an attack. Following this hoarseness is a peculiar rough cough. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse, or even after the cough appears, it will prevent the attack. It is used in many thousands of homes in this broad land and never disappoints the anxious mothers. We have yet to learn of a single instance in which it has not proved effectual. No other preparation can show such a record—twenty-five years' constant use without a failure. For sale by all druggists.

Mok itea positively cures sick head ache, indigestion and constipation. A delightful herb drink. Removes all eruptions of the skin, producing a perfect complexion, or money refunded. 25 cts. and 50 cts. For sale at Bisbee Drug Store.

### YOUR FACE.

Shows the state of your feelings and the state of your health. As well. Impure blood makes itself apparent in a pale and sallow complexion, Pimples and Skin Eruptions. If you are feeling weak and worn out and do not have a healthy appearance you should try Acker's Blood Elixir. It cures all blood diseases where cheap Sarsaparilla and so called purifiers fail; knowing this we sell every bottle on a positive guarantee. For sale at Bisbee Drug Store.

## Christmas!

## CHRISTMAS!

## CHRISTMAS!

## CHRISTMAS!

There is a holiday aspect about the store now. The Toys, and the counters and tables full of goods, herald the approach of Christmas as surely as if there were no calendars. The toy store is perhaps the most interesting spot, at least to the mind of every little child, and undoubtedly every little child's parent. There are dolls that are almost human, with real hair and eyes that open and close; steam engines that run with a puff! puff! just like big engines; toys that do all sorts of antics by simply winding up; toy guns, swords and equipment for the martial-spirited boy; trains of cars, wagons and all sorts of things to go by pulling or pushing. Noah in his ark never had such animals as you'll find here in make-believe. There's an almost indescribable array of little things, but to the childish heart how big and wonderful. Come and bring the children. Let them drop a letter in Santa Claus' mail box (in the Furniture Wareroom).

### FOR MEN

What to give, that's the question. It shouldn't be so hard to decide. There's Neckwear, not the usual Christmas, hand-painted sort that men thank you for and never wear, but Neckwear in patterns and colorings and shapes, all in good taste. Just a little finer in quality, perhaps.

Suspenders, of silk or satin, some embroidered with fleur de lis and other designs; white kid ends and sterling silver or gold plated buckles, neatly boxed. These are not the usual gift suspenders, but are strictly high grade; \$1.75 to \$3.50.

FANCY VESTS. You've likely not thought of these as a present, but they are none the less acceptable. Men's clothing at its joyest is sombre enough. Fashion now sanctions a touch of color in Fancy Vests; \$4 each.

Tek Fancy Shirts, a suit of Pajamas, a Mackintosh or Umbrella. There's no end of things in our Men's Furnishing Stock that will make appropriate presents for the father, the brother or

### CALENDARS FOR 1900

Pleasant reminders of Time's flight. Dainty, artistic little affairs, tied with silk cord or ribbons; 35 cents to \$1. It's the thought, not the amount, that counts in giving.

### STERLING SILVER NOVELTIES

Nail files, paper cutters, seals, blotters, ink stands, cuticle knives, hair brushes, whisk brooms, tooth brushes, tooth-brush holders, nail polishers, cold cream jars.

Hair, military, nail, flesh and baby brushes, with ebony backs, mounted with sterling silver.

Ebony, imitation shell and ivory combs mounted with sterling silver and filigree work.

A host of little things, inexpensive, but thoroughly appropriate. It's surprising what a dollar will do in this stock.

### CUTLERY AND PLATED WARE

Through a fortunate purchase we are enabled to sell Rogers' AA plated spoons at \$2 and \$4 a dozen for the tea and table sizes respectively. We've usually gotten a dollar more a dozen for these.

### CARVING SETS

An elaborate five-piece set, pearl handles, with solid silver trimmings, at \$25. A good, serviceable set for \$2. Plenty at prices between these extremes.

Pocket knives—an assortment that comprises knives for every need. All at the hardware counter.

## In Your List of What to Give Have You Included Furniture?

The word Furniture is so apt to suggest cumbersome, expensive pieces that you've probably overlooked the possibilities of furniture in getting you out of the quandary of "what to give." A Morris chair, dressing table, small center table, a rocker, fancy mirror. Is this hint enough?
